I usually camp alone so this group thing is new to me....Room for 9 more people but no place to park. ! There is a parking lot outside the campground at the old ski area. Scott is asking the Owner of that property about parking there overnight. Would be great if someone would reserve an additional campsite near #87.....

Bring firewood, food, beverages, whatever you would like! 😊:)

Below is a copy of my first post for this event!

.....I have reserved a double campsite at Table Mountain Campground in Wrightwood for 2 nights, June 8 and 9. (Fri-Sat) It fits 16 people max. 4 vehicles. If you are interested in attending, I would love to have a Ham camp group here. If interests get above 16 people or 4 vehicles, I would hope someone else could book a campsite. I can only afford this one Double site. please PM me if you want to attend. Site #87 on Cherokee loop. I'm going to cook hamburgers on sat afternoon....would love some side dishes? bring your HF and set up a station? sure can! good fishing at Jackson Lake! hiking trails! Close to Wrightwood so we can go into town to shop or have breakfast? Lots of things to do up there! has water and CLEAN restrooms! Program the Table Mtn repeater on your radio.... check in on Grub Grabbers net at 7am...lol
