

Lee DeForest Amateur Radio Club

Ham Radio Class Now Forming

FREE, entry level 5-session course where you can learn all you need to know to obtain your Technician Class FCC License to get on the air.

There is *no longer* a requirement to learn Morse Code
The only cost is the study manual* and license exam fee**
All ages are welcome. Textbook is middle school reading level.
Class covers basic electricity, safety, and FCC rules & regulations
Learn about emergency communication and operations
Review all FCC exam questions. Some home study is required.

Class schedule

All classes are Fridays 5:30-8:30pm

August 17, 24 & 31

September 7 & 14

Location

Valley-Wide Recreation and Parks District
901 West Esplanade Ave, San Jacinto, Ca.

To Register

Email instructor: Bill Romine wromine@verizon.net. For info call 951-925-1031.
Include your name, phone number, age and parent's contact information if under 18.
Early registration will ensure class materials will be available by class start date.

*The textbook for this class is ARRL's Tech Q&A 7th Edition (includes the new question pool for 2018-2022). It is recommended you obtain the book as soon as possible by mailing a check for \$17.95 made payable to "LDARC" at PO Box 491, San Jacinto, CA 92583. Please note "For Technician Class" on the check. Books available in class while supplies last, or may be purchased directly from ARRL.org.

**Licensing exams required by the FCC are given by Volunteer Examiners. LDARC offers local W on the 3rd Saturday of odd numbered months, 8:15am at Valley Wide (address above). Exam fee of \$15 payable at the time of exam. Next exam date: Sept. 18, 2018. For exam information only, contact VE Bob Brown KE6JGM at (951) 581-3203
